*An act relating to economic development to amend Section 8152 of the Education Code, relating to apprenticeship programs.*

### LEGISLATIVE COUNSEL'S DIGEST

AB 848, as amended, Campos. ~~Economic development: enterprise zones. Apprenticeship programs.~~

~~This bill would state that it is the intent of the Legislature to enact legislation relating to enterprise zones.~~

*Existing law requires the Superintendent of Public Instruction or the Chancellor of the California Community Colleges, whichever is appropriate, to make reimbursements to high schools, unified school districts, regional occupational centers or programs, community colleges, or adult schools for related and supplemental instruction provided to indentured apprentices in apprenticeship programs, as specified.*

*This bill would require the Superintendent or the Chancellor to require recipients of reimbursements for related and supplemental instruction to report annually, prior to receiving reimbursement, information concerning the number and percentage of apprentices who have received postsecondary educational credit and the amount of credit earned, and the number and percentage of apprentice graduates*

who have completed a postsecondary degree.
